

Lunches @ Elite City Resort

Tuesday June 26, 13:00-14:30 @ Atherina Restaurant

Wednesday June 27 12:40-13:50 @ Yiamas Restaurant

These excellent (per Trip Advisor and also based on recommendation of trusted locals) restaurants provide a selection of meat and vegetarian options, inspired by the local cuisine. Greeks eat lunch late. In case you are wondering how they manage to do this, please see the "coffee breaks" description below for a hint.
