

Coffee Breaks @ at the Workshop site

(Monday, June 25, afternoon, Tuesday, June 26, morning and afternoon, Wednesday, June 27, morning and afternoon, Thursday, June 28, morning)

Coffee breaks will be held at the foyer and entrance hall of the conference venue. The morning coffee breaks are inspired by the Greek tradition to enjoy a small bite-sized menu, named “κολατσιό” including local cheese, olives, “παστό” (smoked meats) and the local delicacy “λαλάγγια” (pronounced “lalaghia” – *Please remember to practice your Greek math symbols*). Kolatsio is typically served with “ouzo,” an anise-flavored aperitif with high alcohol content. Carefully controlled amounts of ouzo may be available for attendees to taste.

Afternoon coffee breaks will include an assortment of local sweets, including the famous “Μανιάτικες δίπλες” (diples from Mani).
